Village Comparison Document

Retirement Villages Act 1999 (Section 74)

This form is effective from 1 February 2019

Name of village: Taringa Parkside Retirement Living

Important information for the prospective resident

- The Village Comparison Document gives general information about the retirement village accommodation, facilities and services, including the general costs of moving into, living in and leaving the retirement village. This makes it easier for you to compare retirement villages.
- The Retirement Villages Act 1999 requires a retirement village scheme operator to:
 - provide a copy of the Village Comparison Document to a prospective resident of the retirement village within seven days of receiving a request
 - o include a copy of the Village Comparison Document with any promotional material given to a person, other than through a general distribution (e.g. mail-out)
 - publish the Village Comparison Document on the village's website so that the document, or a link to it appears prominently on each page of the website that contains, or has a link to, marketing material for the village
- You can access a copy of this Village Comparison Document on the village website at https://www.aveo.com.au/communities/taringa/costs/
- All amounts in this document are GST-inclusive, unless stated otherwise where that is permitted by law.

Notice for prospective residents

Before you decide whether to live in a retirement village, you should:

- Seek independent legal advice about the retirement village contract there are different types
 of contracts and they can be complex
- Find out the financial commitments involved in particular, you should understand and consider ingoing costs, ongoing fees and charges (which can increase) and how much it will cost you when you leave the village permanently
- Consider any impacts to any pensions, rate subsidies and rebates you currently receive
- Consider what questions to ask the village manager before signing a contract
- Consider whether retirement village living provides the lifestyle that is right for you. Moving into a retirement village is very different to moving into a new house. It involves buying into a village with communal facilities where usually some of the costs of this lifestyle are deferred until you leave the village. These deferred costs when you leave your unit may be significant.
- Seek further information and advice to help with making a decision that is right for you. Some useful contacts are listed at the end of this document, including:
 - Queensland Retirement Village and Parks Advice Service (QRVPAS) which provides free information and legal assistance for residents and prospective residents of retirement villages. See www.caxton.org.au or phone 07 3214 6333.
 - The Queensland Law Society which can provide a list of lawyers who practice retirement village law. See www.gls.com.au or phone: 1300 367 757.

More information

- If you decide to move into a retirement village, the operator will provide you with a Prospective Costs Document for your selected unit, a residence contract and other legal documents.
- By law, you must have a copy of the Village Comparison Document, the Prospective Costs
 Document, the village by-laws, your residence contract and all attachments to your residence
 contract for at least 21 days before you and the operator enter into the residence contract. This
 is to give you time to read these documents carefully and seek professional advice about your
 legal and financial interests. You have the right to waive the 21-day period if you get legal
 advice from a Queensland lawyer about your contract.

The information in this Village Comparison Document is correct as at 03 September 2024 and applies to prospective residents.

Some of the information in this document may not apply to existing residence contracts.

Part 10 - Ongoing Costs - costs while living in the retirement village

General Services Charge: Residents pay this charge for the general services supplied or made available to residents in the village, which may include management and administration, gardening and general maintenance and other services or facilities for recreation and entertainment described at 7.1.

Maintenance Reserve Fund contribution: Residents pay this charge for maintaining and repairing (but not replacing) the village's capital items e.g. communal facilities, swimming pool. This fund may or may not cover maintaining or repairing items in your unit, depending on the terms of your residence contract.

The budgets for the General Services Charges Fund and the Maintenance Reserve Fund are set each financial year and these amounts can increase each year. The amount to be held in the Maintenance Reserve Fund is determined by the operator using a quantity surveyor's report.

Note: The following ongoing costs are all stated as weekly amounts to help you compare the costs of different villages. However, the billing period for these amounts may not be weekly.

		fair wear and tear; and			
		 renovations and other changes to the condition of the unit carried out with agreement of the resident and operator. 			
		Fair wear and tear includes a reasonable amount of wear and tear associated with the use of items commonly used in a retirement village. However, a resident is responsible for the cost of replacing a capital item of the retirement village if the resident deliberately damages the item or causes accelerated wear.			
		Note from the scheme operator: Residents are only responsible for damage they cause to the accommodation unit. The scheme operator will pay all other costs associated with reinstatement work.			
		Entry and exit inspections and reports are undertaken by the operator and resident to assess the condition of the unit.			
	12.2 Is the resident	⊠ No

	unit?	By law, the operator is responsible for the cost of any renovation work on a former resident's unit, unless the residence contract provides for the resident to share in the capital gain on the sale of the resident's interest in the unit. Renovation costs are shared between the former resident and operator in the same proportion as any capital gain is to be shared under the residence contract.			

Part 13 - Capital gain or losses			
13.1 When the resident's interest or right to reside in the unit is sold, does the resident share in the capital <i>gain</i> or capital <i>loss</i> on the resale of their unit?	No		

Part 14 - Exit entitlement or buyback of freehold units

An exit entitlement is the amount the operator may be required to pay the former resident under a residence contract after the right to reside is terminated and the former resident has left the unit.

14.1 How is the exit entitlement which the operator will pay the resident worked out?

The ingoing contribution (paid to the scheme operator on entry) is repaid to the resident less the following amounts which are paid by you to us by way of set-off:

- if the contract is a *Later* contract, the exit fee;
- any costs of any Reinstatement Work required due to damage the resident has caused to the unit; and
- any other amounts the resident owes under the residence contract or any other agreements the resident has with the operator or its related parties about the provision of goods and services in the retirement village.

If the contract is a **Bond** contract, the Establishment Fee paid on entry is non-refundable, except if you leave during the Money Back Guarantee period.

If the contract is a **Now** contract, the Upfront Management Fee paid to the scheme operator on entry is non-refundable, except if your contract ends in the first 2 years, then you will receive a partial refund as follows:

Period from moving in to the contract end date:	Portion of Upfront Management Fee refunded:		
Under the Money Back Guarantee, within 6 months of moving in*	100%		
Equal to or less than 2 years (unless the Money Back Guarantee applies)	100% on the occupation date, reducing to 0% on a pro-rata daily basis over the 2 year period starting on the occupation date		
More than 2 years	No refund		
* Please refer to part 17.1 of this document for details of the Money Back Guarantee			

14.2 When is the exit entitlement payable?

By law, the operator must pay the exit entitlement to a former resident on or before the **earliest** of the following days:

- the day stated in the residence contract
 - which may range from 3 months to 6 months after the termination of the residence contract, depending on your contract option

Note from the scheme operator: Except if the Money Back Guarantee applies (see part 17.1 for details), the residence contract requires payment of the exit entitlement at the following times after vacant possession of the unit is provided:

Bond: 3 months

Now: 6 months

• Later: 6 months

- 14 days after the settlement of the sale of the right to reside in the unit to the next resident or the operator
- 18 months after the termination date of the resident's right to reside under the residence contract, even if the unit has not been resold, unless the operator has been granted an extension for payment by the Queensland Civil and Administrative Tribunal (QCAT).

In addition, an operator is entitled to see probate or letters of administration before paying the exit entitlement of a former resident who has died.

14.3 What is the turnover of units for sale in the village?

2 accommodation units (including 2 Serviced Apartments and 0 Independent Living Units) were vacant as at the end of the last financial year

27 accommodation units (including 15 independent living units and 12 serviced apartments) were resold during the last financial year

5 months was the average length of time to sell a unit over the last three financial years
